Any discrepancies in the information provided by you may result in a delay in transit, additional charges being incurred or the parcel being returned to us. As a minimum, we recommend that each parcel should be in a new and undamaged cardboard box that is strong enough to carry the weight of your parcel. Your parcel should not touch the side of the cardboard box and it should be cushioned in its entirety using internal packaging (e.g. bubble wrap or foam) no less than 5 centimetres in thickness. You are also responsible for selecting the correct service.
 - 7.3 **Where you send a number of items as one package.** If you send a number of items as one package, the items must be encased within one outer box. - 8.2 **Delivery attempts.** The third party courier will attempt to deliver your parcel at least once. If your parcel cannot be delivered, the third party courier may attempt delivery at an address within close proximity and leave details at the delivery point and / or update any tracking information. Should your parcel be held by the third party courier following a missed or failed delivery, it is your responsibility to arrange collection or re-delivery (see clause 8.5 below). You are solely responsible for any additional charges incurred as a result.
- 8.3 **We will contact you if your parcel is returned to us.** We will contact you once by email and / or by telephone if your parcel is returned to us. We will use the contact details provided to us when you placed your order with us. We bear no responsibility or liability where your contact details are incorrect or inaccurate.
- 8.4 **Not all deliveries require signature.** Not all services require a signature and, in some cases, your parcel can be left in an area that the third party courier deems fit. For the avoidance of doubt, we do not accept any liability for any loss or damage incurred as a result of your parcel being left in an area that the third party courier deems fit.

We will hold your parcel for 10 calendar days. If you do not contact us within 10 calendar days of our receipt of your returned parcel, we will dispose of your parcel. If no contact is made with the third party courier within 5 working days, your parcel will be returned to us and you should arrange collection or re-delivery from us.
- 8.7 **International carriage.** If you ask us to deliver your parcel outside the UK, we are not responsible for any customs charges, import or export taxes or duties or any similar charges incurred as a result.
